Prior to applying

- Review application questions here: [PMC Publisher Portal Questions](#).
- Use the 'Apply as guest' button if you do not have an existing login.
- [Sign In](#) if you have submitted applications under an account before; multi-journal publishers should use one account to group the applications and improve tracking.

After submission

- All applicants will receive a confirmation email that contains a link directing you to your application's status page.

Benefits of submitting using Sign In

- Return to an unsubmitted application via the web interface.
- View the status of submitted applications.
- Start a new journal application without having to resupply your detailed publisher information.
- Regularly update your publisher information.
