

Statement of Authorship and Copyright

Date:

Manuscript title:

Dear Dr. [Editor name],

Author(s) of the above-mentioned manuscript, submitted to be considered for publication in **Archives of Medical Laboratory Sciences**, have read the following statements and agree with them by signing this form. This statement acknowledges that each undersigned author has made a substantial contribution to the manuscript and is willing to take public responsibility for its contents. Author(s) attest that all persons designated as authors qualify for authorship and all those who qualify are listed. The corresponding author takes responsibility for the integrity of the work as a whole, from inception to published article. The JPN follows the latest definition provided by the Uniform Requirements for Manuscripts Submitted to Biomedical Journals (<http://www.icmje.org>), "Authorship credit should be based on:

- 1) Substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data;
- 2) Drafting the article or revising it critically for important intellectual content;
- 3) Final approval of the version to be published.

Authors should meet conditions 1, 2, and 3." All others who contributed to the work but are not authors (if any) are named in the Acknowledgments of the manuscript.

If the manuscript is not published in either print or electronic versions of the Journal of Pediatric Nephrology (JPN) within 12 months of acceptance (or as otherwise agreed), this agreement shall automatically terminate.

Previous Publications

Author(s) certify that neither this manuscript nor one with substantially similar content under their authorship has been published or being considered for publication elsewhere in any language. They also certify that any previous presentations of this paper in meetings are mentioned as comments.

Copyright

Upon publication, author(s) agree that the Iranian Society of Pediatric Nephrology is the copyright owner of the material published in the JPN. However, in accordance with Bethesda Statement on Open Access Publishing, all works published in the JPN are open access and are available to anyone on the web site of the journal without cost. The users are free to use the work, subject to proper attribution of authorship and ownership of the rights. Authors may use their material in presentations and subsequent publications they write or edit themselves, provided that the JPN is referenced in writing and is acknowledged as the original publication.
