

Journal of Ophthalmic and Optometric Sciences publishes open access articles under Creative Commons. With Creative Commons licenses, the author retains copyright and the public can reuse the content. The authors grant JOOS a license to publish the article and identify as the original publisher.

The undersigned corresponding author hereby affirms that the manuscript entitled:

-----

is original and that all the statements asserted as facts are based on the author(s) investigation and the manuscript has not been previously published in any form. If the above requirements are not fulfilled, justification for duplicate publication must be declared and accompanied by a covering letter. In signing this form, the corresponding author acknowledges that all authors have participated in the work in a substantive way and are prepared to take full responsibility for the data presented herein.
