In the article titled "Therapeutic Effects of Combination Therapy and Photobiomodulation Therapy on Retinal Regeneration" published in *J Lasers Med Sci* 2022;13:e36 (doi: 10.34172/jlms.2022.36), there was an error in the Ethical approval section.

The ethics approval code was incorrectly reported as:

"All protocols were confirmed by the Ethics Committee of Shahid Beheshti University of Medical Sciences (IR.SBMU.RETECH.REC.1400.008)."

The correct ethics approval code is:
