In the article titled “*The Combined Effects of Mesenchymal Stem Cell Conditioned Media and Low-Level Laser on Stereological and Biomechanical Parameter in Hypothyroidism Rat Model*,” published in *J Lasers Med Sci* 2018 Autumn;9(4):243-248 (doi: 10.15171/jlms.2018.44), there was an error in the Ethical approval section.

The ethics approval code was incorrectly reported as:

“*The study was approved by Shahid Beheshti University of Medical Sciences (Ethics No. IR.SBMU.SM.REC.1394.31).*”

The correct ethics approval code is:

IR.SBMU.REC.1397.043

The corrected sentence should read:

“*The study was approved by Shahid Beheshti University of Medical Sciences (Ethics No. IR.SBMU.REC.1397.043).*”

This correction has now been updated in both the PDF and HTML versions of the article.
