(a) Authors Declarations

- I understand that the corresponding author is the sole correspondent with the Editorial Office on all matters related to this submission. In the event of acceptance, I designate the corresponding author as the responsible party for all communications with the journal's publisher related to this work, including review and correction of the typeset proof.
- I agree that authors list is correct in its content, order and affiliation and that no modification to the authors list can be made after Acceptance Section.

I attest that:

1. The manuscript represents truthful original work without fabrication, fraud, or plagiarism.
2. The manuscript has not been previously published and is not concurrently under consideration for publication elsewhere, nor will the research reported be submitted for publication elsewhere until a final decision has been made by *Journal of Lasers in Medical Sciences*.
3. This manuscript does not libel anyone, infringe on anyone's copyright, or otherwise violate anyone's statutory or common-law rights.
4. I have made substantial scientific contributions to the study which include: (a) substantial contributions to the conception or design of the work; or the acquisition, analysis or interpretation of data for the work; **AND** (b) drafting of the work or revising it critically for important intellectual content.
5. I have read the complete manuscript and take responsibility for the content and completeness of the final submitted manuscript; I understand that if the manuscript, or any other element of the work, is found to be faulty, fraudulent, or in violation of any of my preceding representations, I share responsibility and any potential legal liability.

Journal of Lasers in Medical Sciences

(b) Ethical Considerations

I confirm that:

1. Any aspect of the work covered in this manuscript that has involved human patients has been conducted with the ethical approval of all relevant bodies and that such approvals are acknowledged within the manuscript.
2. Written consent to publish potentially identifying information, such as details or the case and photographs, was obtained from the patient(s) or their legal guardian.

(c) Conflict of Interest and Financial Supports

All institutional or corporate affiliations of mine and all funding sources supporting the study are acknowledged. Except as disclosed in the cover letter, I certify that I have no commercial associations (consultancies, patent-licensing arrangements, equity interests) that might represent a conflict of interest in connection with the submitted manuscript.

(d) Copyright Transfer

In consideration of the acceptance of this submission for publication, I do hereby assign and transfer to *Journal of Lasers in Medical Sciences* all rights, title, and interest in and to the copyright in the above titled work.
