EDUCATION

AZAD UNIVERSITY, TEHRAN, IRAN

Library and Information Science Ph.D. Sept. 2011
Subject: Designing a model for the web-based scientific communications of Iranian Academic Websites, Magna cum laude

AZAD UNIVERSITY, TEHRAN, IRAN (Accredited by ACEI, USA)

MLIS with a minor in Information Science. Sept. 2005, Magna cum laude.
Subject: Citation Analysis

ALLAMEH TABATABAEE UNIVERSITY, TEHRAN, IRAN (Accredited by ACEI, USA)

BS in Library and Information Science, with a minor in Humanities and Social Sciences. June 2003, Magna cum laude

CERTIFICATE

USI UNIVERSITA DELLA SVIZZERA ITALIANA, ITALY
Application of the multi-level model to research policy and higher education studies. October 2020

AUSTRIAN INSTITUTE OF TECHNOLOGY, AUSTRIA
Certificate in Smart Cities (European Smart Cities Concept, the application of ICT for Smart cities, urban governance, low-carbon strategies and technologies, big data exploration, environmental resources, and technologies), June 2017

CAVENDISH COLLEGE, LONDON, UNITED KINGDOM
Certificate in computer hardware, the system setups, and installing programs. December 2001, Magna cum laude

UNION BANK OF CALIFORNIA BANKING SCHOOL. California. United States
Customer Service Representative, Bank Teller. October 2006 -January 2007

EXPERIENCE

National Research Institute for science policy, Tehran, Iran
Faculty of Policy Assessment and Monitoring Science, Technology and Innovation Department: September 2016- present
-Designed and conducted researches in Informetrics, Scientometrics, webometrics, and Altmetrics
-Supervised projects and researches in Informetrics, Scientometrics, webometrics, and Altmetrics.

Tehran Municipality, Tehran Urban Planning and Research Center, Tehran, Iran
Member of the Intelligence and Innovation Research Committee of Tehran Municipality: September 2020-present
-Advised executive manager and council on matters of public policies and relations;
-Evaluated programs and policies and providing advice to institutions and organizations;
-Developed foreign policies for governments and international organizations.

The Supreme Council of Science, Research and Technology, Tehran, Iran
Advisor in International relation affair: May 2016- 2019
- Forecasted political, economic, and social trends in Science, Research, and Technology;
-Advised executive manager and council on matters of public policies and relations;
-Evaluated programs and policies and providing advice to institutions and organizations;
-Developed foreign policies for governments and international organizations.

Scientific Association of Information management, Tehran, Iran
Editor in Chief of scholarly communication electronic journal: June 2010 – 2013
-Refereed and Edited Articles,
-Communicated with potential authors and responded to queries,
-Monitored the peer review process.

Iranian Research Institute for Information Science and Technology, Tehran, Iran
Editor in Chief & Scientific Communication Specialist: February 2007 - June 2010
-Supervised projects and researches,
-Assisted researchers in finding their scientific needs,
-Designed web pages layouts,
-Refereed and Edited Articles.

Iranian Library and Information Science Association, Tehran, Iran
Webmaster & Research committee member: January 2007 – January 2009
-Organized the research group,

-Established workshop policies and guidelines
–Maintain the association website.

 Union Bank of California. California. United States
Customer Service Representative: October 2006 -January 2007
-Organized and maintained record of accounts and sent report to the corporate office,
-Monitored back account and completed payroll using QuickBooks program,
-Educated customers on products through demonstration and relaying product information,
-Communicate with customers to take orders and run their transactions.

Webometrics Research Group. National Research Institute for science policy, Tehran, Iran
Instructor & coordinator: July 2005 – January 2006
-Founded and organized the research group,
-Researched different topics for scholars,
-Established workshop policies and guidelines,
-Responded to all incoming e-mail as well as leading and managing several special projects.

The Addiction Prevention Foundation, Tehran, Iran
Library & Information Services Manager(May 2003 – February 2004)
-Created the library data management system,
-Handled reference and research requests by users,
-Prepared and maintained the library budget,
-Maintained and edited all existing records, and created new records,
-Designed, developed, integrated data for the Information Center,
-Categorized and classified print and non-print materials,
-Established policies and guidelines for the library employees,
-Developed specification requirements,
-Indexed Audio-Video materials.

The Written Heritage Research Center, Tehran, Iran
Information Services Manager: May 1999 – July 2005
-Developed website and databases for the integration of the center's data based on metadata standards,
-Instructed staff and faculty using online resources,
-Handled reference and research requests,
-Designed & Analyzed Middle Eastern Manuscripts Database,
-Acquired rare collection for the center,
-Prepared the portal of Middle Eastern manuscripts and rare collections.

RESEARCH PROJECTS

- Designing the library and Archives. Information Center for Education and Prevention of Addiction, Ministry of Culture and Islamic Guidance.2003
- The standards of public libraries of different countries. Iran institution of public libraries.2015
- Investigating and representing the necessity of promoting the idea of "smart cities" in the Supreme Council of the Science, Research and Technology (SCSRT).National Research Institute for Science Policy (Funded by Supreme Council of the Science, Research and Technology (SCSRT). 2018

- Monitoring and Evaluation of Education, Research and Technology sectors. National Research Institute for Science Policy (Funded by Supreme Council of the Science, Research and Technology (SCSRT)). 2017
- Monitoring and Evaluation of Education, Research and Technology sectors. National Research Institute for Science Policy (Funded by Supreme Council of the Science, Research and Technology (SCSRT)). 2018
- Monitoring and Evaluation of Education, Research and Technology sectors. National Research Institute for Science Policy (Funded by Supreme Council of the Science, Research and Technology (SCSRT)). 2019
- Presenting a model for Open Sciences facilitator Policies in Iran. National Research Institute for Science Policy. 2019-2020.
