

Authors' Agreement Form

Date:

Manuscript Title:

Author(s) of the abovementioned manuscript have read the following statements and agree with them by signing this form.

Copyright

Upon publication, author(s) agree that *Trends in Peptide and Protein Sciences (TPPS)* is the copyright owner of the material published. All works published in the *TPPS* are open access and are available to anyone on the web site of the journal without cost. The users are free to use the work, subject to proper attribution of authorship and ownership of the rights. Authors may use their material in presentations and subsequent publications they write or edit themselves, provided that the *TPPS* is referenced in writing and is acknowledged as the original publication.

Statement of Authorship

This statement acknowledges that each undersigned author has made a substantial contribution to the manuscript including the contributions to conception and design, or acquisition of data, or analysis and interpretation of data, or drafting the article or revising it critically for important intellectual content, and contribution to the final approval of the version to be published. The author(s) is willing to take public responsibility for its contents. Author(s) confirm that all persons designated as authors qualify for authorship and all those who qualify are listed. The corresponding author takes responsibility for the integrity of the work as a whole, from inception to published article. All others who contributed to the work but are not authors (if any) are named in the *Acknowledgements* of the manuscript.

Ethical Requirements

Author(s) herein confirm that all human and/or animal studies undertaken, are in compliance with the regulations of their institution(s) and generally accepted guidelines governing such work. Author(s) warrant that this manuscript contains no violation of any existing copyright or other third party right or any materials of an obscene, indecent, libelous, or otherwise unlawful nature and that to the best of their knowledge the manuscript does not infringe the rights of others.

Competing Interests and Financial Supports

Author(s) warrant that any financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with this manuscript have been disclosed in the covering letter. Furthermore, sources of financial support of the project are named in the covering letter as well as the *Acknowledgements*.

Previous Publications

Author(s) certify that neither this manuscript nor one with substantially similar content under their authorship has been published or being considered for publication elsewhere in any language. They also certify that any previous presentations of this paper in meetings are mentioned in the covering letter.
