

SRTM AUTHORSHIP DECLARATION FORM

Manuscript title:

Corresponding Author:

1. The Statement of Research Originality

The authors confirm that

1.1. The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor) and is not currently under review at another journal. It will not be submitted to any journal until the final is announced.

2.1. This article is the output of the authors' own research work and all sources used in this research have been properly cited in accordance with standard citing style and their details are provided in the references.

2. Contributors' approval (Confirmation of contribution, responsibility, authorship order and agreement to designate a corresponding author)

The authors confirm that

1.2. All authors have been directly involved in the research and writing process of the article. 2.2. All authors equally accept responsibility for all content in the article.

3.2. All authors agree to designate the corresponding author to follow-up the status of the article and have the correspondence with the journal.

3. Confirming the adherence to publication Ethics

The authors agree to observe the publishing ethics of scientific articles in accordance with the ethical policy of the journal (based on COPE ethical guidelines) and if the journal (even after publication) realize that authors have violated the principles of publication ethics, will have right to retract the article and will carry out an investigation about this issue.
