In volume 5, number 2 of the *Urology Journal* (spring 2008), the following errors occurred:

On page 108, in the title of Table 2, *ejacutaion* should have read *ejaculation*.

On page 123, the name of the last author, Dr Reza Kaffash Nayyeri, was missed. The article entitled “Retroperitoneal Ureterocycloplasty in Bilaterally Functioning Kidneys” should have had 4 authors as follows: *Mohammad Ali Zargar-Shoshtari, Kaveh Mehravaran, Hormoz Salimi, and Reza Kaffash Nayyeri*.

On page 129, the name of the second author should have read *Yashar Moharamzad*.

On page 136, the first keyword of the article should have read *congenital* instead of *congential*.

We regret the above errors in the past issue.
