Best Reviewer of the July-August 2021 issue - Ozlem Bozkurt-Girit

Ozlem Bozkurt-Girit

Ozlem Bozkurt-Girit is an assistant professor of biophysics at Aydın Adnan Menderes University, Turkey. She studied biology at Middle East Technical University, Ankara, Turkey. During her Ph.D. studies, she has participated in a collaboration with Berlin Humboldt University, Germany and carried out research as a visiting researcher in Exercise Metabolism Research Laboratory of University of Birmingham, School of Sports and Exercise Sciences, UK and Mineralized Tissue Laboratory of Hospital for Special Surgery, Caspary Research Building, New York, USA. She has been specialized in biophysics following her Ph.D. at the Department of Biolog-

ical Sciences in METU. Her scientific interests include electrophysiological and molecular characterization of metabolic and neurological diseases, photodynamic and sonodynamic therapy and the use of spectroscopic and imaging techniques, including FT-IR spectroscopy and microspectroscopy.

“Being a reviewer for *Urology Journal* is an honor, as you are allowed to contribute to the scientific level of this journal. Careful and fair-minded evaluation of scientific articles is an important scholarly contribution and a gratifying duty in academics. Peer review is a vital process for any journal and enables publication of innovative research that meets the highest standards of quality. Bozkurt-Girit was chosen as the best reviewer(s) of the issue by the editorial board of The *Urology Journal* for his valuable and timely review of manuscript”.
